

SOUTHEND LEIGH & DISTRICT AQUARIST SOCIETY.

We are once again at Temple Sutton School. Follow the A127 right into Southend picking up the A1159. The entrance to the school is from Eastern Avenue.

We look forward to seeing you all again.

Classes

This year the championship classes are Ca and L. The Diamond class is for the updated fighter class, so it will be an interesting contest. If you are entering fish and need an electrical point please let us know.

Sales Table

You will be able to sell your excess fish, plants, foods and dry goods (no electrical goods). Please label everything clearly with the name and price, a sheet will be provided for you to list the things you wish to sell. The club will take a 20% commission so price your things accordingly. Any sub standard goods will not be sold. These will be available for sale throughout the day

We hope to have a trade stands selling fish food, equipment and aquascaping materials. There are usually some garden and pond plants and hopefully some carnivorous plants and shrimps.
