FBAS Bulletin

Is a quarterly magazine for fish keepers, written by fish keepers, covering all aspects, of this wonderful hobby of ours, it can be found on the FBAS web site, it's FREE to everybody, not just affiliated societies. We are the fish keepers, most of have a story or two to tell, so if we all put pen to paper and write something for the Bulletin it would make life a lot easier for Les, this includes things like your club is going to have a disco night, you're going to have a fish shop at home, anything fishy (not dodgy) just half a page is good too, so let's help, and I'll be the first, I've never done anything like this either, thanks to you all in advance.

Should you need any more info, please contact Les Pearce.

BAS would like to take this opportunity to thank our sponsors for their generosity, the judges for their time this year and many more to come we hope, and last but not least our exhibitors, who come from far and wide, week in week out, rain or shine, thanks for all the effort and support you put into it, without you guys, we would have a very quiet show, so once again let me thank you one and all, see you all on the day.

Terry Hewitt

Light refreshments of tea, coffee, sandwiches and cakes etc will be available all day
