Welcome to the inaugural FBAS Betta Show to be held at the 2017 Festival of Fishkeeping.

The show will be held over two days and we respectfully request that entries remain on the bench for the duration of those two days (Saturday 07 and Sunday 08 October).

The show bench for the Betta show will be heated from underneath for the duration of the show, including overnight.

However, exhibitors may, if they wish, remove their entries from 5.00 pm onwards on Saturday 07 on the condition that they are replaced on the bench no later than 10.00 am on Sunday 08.

Exhibitors are also permitted to temporarily remove their fish from the Betta Show bench on the Saturday should they wish for them to be exhibited in the Festival Open Show. Fish should then be replaced on the Betta Show bench on completion of Open Show judging.
