FBAS Bulletin

Is a quarterly magazine for fish keepers, written by fish keepers, covering all aspects, of this wonderful hobby of ours, it can be found on the FBAS web site, it's FREE to everybody, not just affiliated societies. We are the fish keepers, most of have a story or two to tell, so if we all put pen to paper and write something for the Bulletin it would make life a lot easier for Les, this includes things like your club is going to have a disco night, your going to have a fish shopathon, anything fishy (not dodgy) just half a page is good too, so lets help, and I'll be the first, I've never done anything like this either, thanks to you all in advance.

Should you need anymore info, please contact Les Pearce.
