

CLUB CHALLENGE CLASS

An old friend has a new suit – yes, it's the original Diamond Class in upgraded finery.

This will be for **any 'single fish' Class** of the Host Society's own choosing, the only exception being that it must not be any of the Championship Trophy Classes issued for the Show. The Pairs, Breeders and Furnished/Aquascape Classes would also not be eligible for obvious reasons.

There are no restrictions as to whether Classes are split or not. The Class chosen can be a basic Class or a 'split' Class – that is, for instance, B (Barbs) or Cb (Pencilfish) and so on.

Winners (and runners up) will qualify for the '**Club Challenge Class Final**' at any annual Festival of Fishkeeping event where, and whenever this may be held..

In order to present a reasonable selection of fish on the bench at the end of the year, it would be appreciated if Societies didn't all plump for the same Class. To this end, if Societies would care to advise of their nomination of Club Challenge Class - together with a reserve choice - an updated selection of Classes nominated at Shows can be produced which is fair to all.

With the Show season due to kick off soon, everyone will need to get nominations in as quickly as possible.

To make things easier, Classes nominated will be shown on the FBAS website and any downloadable Show Schedule will have the relevant Class over-printed on the cover – especially where Show Schedules have already been submitted and uploaded.

Current updates will be posted on the FBAS website as they come in.

Please send your Club Challenge Class nomination in to the [FBAS webmaster](#) by email or by post to the address as shown for the P.R.O./Webmaster (select 'Contacts' button on the left of the FBAS homepage screen).

Show Secretaries:

A Club Challenge Class Judging Sheet and a Club Challenge Class Return Form will be enclosed with the Show Paperwork Pack from the FBAS Trophy Officer or you can [DOWNLOAD](#) them [HERE](#)

Fill in the appropriate Club Challenge Class Return Form as soon as possible after your Open Show to qualify, and reserve space, for the Club Challenge Final Round, wherever it may be held.

**THE RETURN FORM SHOULD NOT BE RETURNED TO THE FBAS TROPHY OFFICER
BUT TO THE ADDRESS AT THE TOP OF THE FORM**

Exhibitors: As the Final of the Club Challenge Class will inevitably be staged on the same day as the 'Supreme' the choice, as to where fishes qualifying for both competitions should be entered, is left to the Exhibitor.
