

All Show Secretaries!

Please note the following and amend your 2019 Show Schedules accordingly.

Disposal of home-bred fish

In order to clarify the situation, to comply with possible restrictions from local Councils, in respect of aquatic livestock and plants offered for sale at Open Shows, Show Secretaries are recommended by the Judges & Standards Committee to include the following paragraph within the Show Rules information section of their Show Schedules.

'Only fish and other livestock that has been bred by individuals and is excess to requirements can be sold through the auction/sales table. The sale of livestock that has been previously purchased or bred specifically for resale IS NOT ALLOWED under the Pet Licensing Act 2018.'

PLEASE ENSURE THAT YOUR SHOW SCHEDULE INCLUDES THIS PARAGRAPH.

CHANGES TO DIAMOND CLASS

With the title 'Diamond Class' always being a usable substitute right from the start because of the copyright restrictions placed on the use of the word 'O-----c', we have decided to alter the title of this popular Society-chosen Class to something that reflects its purpose more accurately more accurately, than just a date in time.

For 2019, it will be known as the '**CLUB CHALLENGE CLASS**' and should be shown as such in any Open Show Schedule.

Judging Sheets and return Forms for this Class can be downloaded from the FBAS website via the 'Top Forms' page.
