Dear Members,

As you are no doubt aware, our AGM was supposed to have been held on Saturday 5th of December but, because of the Covid 19 pandemic and the uncertainty regarding the government lockdown and tier system, it has been decided by the Council to postpone the meeting until such times as it can be held safely.

The Officers of the Federation who were due for re-election have agreed to carry on in their posts until the AGM can be rearranged.

Yours Faithfully,

***Alan Stevens
(FBAS General Secretary)***
