Extracts for FBAS Show Rules

All sections of the show will be run in accordance with the FBAS' Show Rules (Booklet 5) a copy of which will be on display in the show hall.

Please be aware

Licensed fish – It will be taken for granted that the owner of a licensed fish holds a current DEFRA licence.

Breeder's teams (Class X) – These will consist of 4 fish, their date of birth must be displayed and they must not be older than 14 months.

Pairs (Class N) – Pairs must be readily identifiable as male & female (Judging, Rule 11d)

Complaints – These must be conveyed to the show secretary as soon as possible. There is a comprehensive complaints procedure, so please use it.

Diseased & Disqualified fish - These exhibits will be removed to a quarantine area for the exhibitor to deal with.

Containers – The minimum size is 100mm x 100mm x 100mm. Tanks with a raised base will be measure from this base. Tanks must be adequately filled with water and big enough to allow the exhibits free movement.
